

ELLIPTIGO

ELLIPTIGO®

Discover the fun, comfort and pure exhilaration of stand up cycling – it's like running on air.

ElliptiGO® Stand Up bikes let you experience a highly effective cardio workout that's easy on your body and gets you out of the gym. The upright position and low impact on your joints make for a comfortable ride that positively impacts your fitness.

The natural stand-up riding position eliminates the neck, back and seat pain associated with conventional cycling, which means you remain comfortable longer. It also raises your line of sight, making it easier for you to see and be seen. Riding a stand up bike is a weight-bearing exercise and cranks up your cardio

engine, burning 33% more calories than riding a traditional road bike. It's a better workout in less time!

Best of all, ElliptiGO bikes get you outside! No more staring at a TV or the basement wall while you work out. Whether you are a runner, cyclist, fitness enthusiast or simply someone looking to improve your health, you'll love riding an ElliptiGO bike.

See why more than 26,000 people are riding ElliptiGO bikes. Try one today and experience the fun, comfort and performance for yourself.

Take your fitness to the next level

FANTASTIC RIDING EXPERIENCE

Comfortable: Natural stand-up riding position reduces stress on your neck and back and eliminates seat pain

Fun to ride: Gives the feeling of "running on air"

Low-impact: Very gentle on your joints

Great visibility: Higher riding position makes it easier for you to see and be seen

GREAT WORKOUT

Fat burner: Burns 33% more calories than a traditional bicycle - providing a better workout in less time

Full-body conditioning: Engages your core and upper body in addition to your legs

Weight-bearing exercise: Increases your heart rate and is good for bone density

TREMENDOUS VERSATILITY

Indoor/outdoor solution: Train year-round on the road, on the trail, or on a stationary trainer

One-size-fits-all: Fits a wide range of riders with quick, easy adjustments

Multiple foot positions: Lets you target different muscle groups while keeping your feet comfortable

Portable: Can fit inside most vehicles and on roof, trunk and hitch racks

Fits your riding style: Gearing makes it great for cruising, sprinting on the flats or climbing the steepest hills

Why people love ElliptiGO

"As we cruised along, it did not take much time for my heart rate to increase and I realized why so many runners use this machine for "active recovery." I really enjoyed the experience."

Runner's World

"You are guaranteed to have fun on board."

Outside

"A refreshing change from my usual gym workout."

Fitness

"Get the calorie-burning benefits of hoofing it without using a 'dreadmill!'"

Shape

"It's easy to handle, easy to get started, and a great workout for your whole body."

Good Morning America

"I always say age is just a number, but I do have to modify my training now, and that's where my ElliptiGO bike has been a great asset to me. I don't wait until I get injured to get on it. I use it for the extra mileage and integrate it into my training. The results speak for themselves."

Meb Keflezighi | Olympian, Winner of Boston and New York Marathons

"After my hip replacement, I didn't know what I was going to do for exercise, but I knew I'd never run again. With my ElliptiGO bike, I can get outside for a fun, pain-free workout. It has literally changed my life. I can't imagine being without it."

Jane LeGore | Injured Former Athlete

"In my daily work with athletes, I have found the ElliptiGO bike to be an ideal part of my 'tool kit.' It provides core activation, minimal musculoskeletal stress and can elevate heart rate to training levels, all while being fun to use. It is a quality asset for any athlete."

Ralph Reiff | Athletic Trainer

"I love my ElliptiGO bike because it's fun; I can get a great workout in a short amount of time; and I'm outside!"

Caryn Hall | Fitness Enthusiast

"I've always been a proponent for including cross-training in any running regimen, and the ElliptiGO bike is the best cross-training device I've ever seen, bar none."

Dean Karnazes | Elite Ultramarathoner, Endurance Athlete, Public Speaker and Author
