BH S7Ti Signature Series Treadmill with iconcept display

List Price \$2,999. Like new showroom model (less than 10 miles) **SPECIAL PRICE \$1,799.** Includes delivery and setup at your house.

Features: The S7Ti comes standard with the Bluetooth enabled i.Concept technology which allows you to seamlessly connect your Apple® or Android® device via Bluetooth and enjoy your favorite Apps while exercising; read a book, update your status, or check your email. i.Concept is health and fitness, integrated. It comes with a Whisper quiet 4.0 HP drive motor that provides unparalleled durability and reliability, Active-Flex II suspension technology allows for a shock absorbing landing with firm push off for comfort and efficiency and a Large 22"x 62" running surface enables a safe and comfortable workout.

Warranty: Lifetime frame & motor, 10 years parts, 1 year cosmetics, 1 years labor.

BH Fitness S5XiB Elliptical

The S5XiB with its 20.5" stride length and ultra low step up height of only 7.75", make it the ideal elliptical for settings with space constraints or low ceilings. The DualKit i.Concept Technology Compatible console allows you to use your tablet or smart phone to seamlessly interface with the equipment via Bluetooth and the innovative upper front drive is smooth, silent and strong, adding to the durability while alleviating cumbersome guide rails and wheels, and ultimately reducing maintenance costs. Its minimal Q Factor provides the optimal biomechanics for less impact on the body during a workout.

List Price \$2,499. Like new showroom model (less than 1 mile). **SPECIAL PRICE 40% off, \$1,499.** Includes delivery and setup at your house. Zero % interest payment plan available.

BH Fitness S5UiB Upright Bike

The S5UiB is a fully adjustable upright bike, with micro-adjust fore and aft seat which is often overlooked in an upright bike design. It also features the DualKit Compatible iConcept system that allows for incredible entertainment and motivations options through your iPad, iPhone or iPod touch.

List price \$1,299. Like new showroom model (less than 1 mile) SPECIAL PRICE 40% off, \$779. Includes delivery and setup at your house.

Body Solid FB300 Air Bike

The Endurance FB300 Dual Action Fan Bike is designed to be suitable for a variety of fitness levels from the novice to expert rider and is perfect for both rehabilitation and high-intensity workouts. The FB300 offers a comfortable fit for various size users as the seat post is completely adjustable forward, back and vertical. This allows virtually any sized user to safely adjust the machine to their ideal position.

The FB300 also features convenient transport wheels allowing you to move the machine anywhere in a facility easily. Finally, the Endurance FB300 is backed by a commercial warranty and is one robust bike that will endure for many years.

List price \$1,100. Like new showroom model (less than 1 mile) SPECIAL PRICE \$599. Includes delivery and setup at your house.
