The warranties provided herein are the exclusive warranties given by Paradigm Fitness Equipment and supersede any prior, contrary or additional representations, whether oral or written. Any implied warranties, including the warranty of merchantability or fitness for a particular purpose that apply to any parts described above are limited in duration to the periods of express warranties listed for those same parts. Paradigm Fitness Equipment hereby disclaims and excludes those warranties thereafter. Some states do not allow limitations on how long an implied warranty lasts, so the limitation listed may not apply to you. Paradigm Fitness Equipment also hereby disclaims and excludes all other obligations or liabilities, express or implied, arising by law or otherwise, with respect to any non-conformance or defect in any product, including but not limited to: (a) any obligation, liability, right, claim or remedy in tort, whether or not arising from the negligence of Paradigm Fitness Equipment or its suppliers (whether active, passive or imputed); and (b) any obligation, liability, right, claim or remedy for loss of or damage to any equipment. This disclaimer and release shall apply even if the express warranty set forth fails of its essential purpose.

For any product listed that fails to conform to its warranty Paradigm Fitness Equipment will provide, at its option, one of the following: (1) repair (with new or certified refurbished parts); (2) replacement; or (3) refund of the net purchase price less installation fees if applicable. Paradigm Fitness Equipment labor service may be obtained by contacting the authorized dealer from whom the product was purchased. Exclusion of consequential and incidental damages.

Paradigm Fitness Equipment and/or its suppliers shall have no obligation or liability, whether arising in contract (including warranty), tort (including active, passive or imputed negligence and strict liability), or otherwise, for damage to the equipment, property damage, loss of use, revenue or profit, cost of capital, cost of substitute equipment, additional costs incurred by buyer (by way of correction or otherwise) or any other incidental, special, indirect, or consequential damages, whether resulting from non-delivery or from the use, misuse or inability to use the product. This exclusion applies even if the above warranty fails of its essential purpose and regardless of whether such damages are sought for breach of warranty, breach of contract, negligence, or strict liability in tort or under any other legal theory. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation may not apply to you.

This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state.
