DUMBBELLS

Hampton Dumbbells are designed for years of heavy use and are the most durable, maintenance-free dumbbells in our industry. However, as with any dumbbells, they are not designed to be dropped, thrown or otherwise abused. Repeated dropping or other abuse of dumbbells may result in bent handles. Bent handles indicate abuse and may be excluded from our warranty. We strongly urge you to prevent your members from dropping, throwing or otherwise abusing your Hampton Dumbbells. Maintaining a standard of responsible behavior in your free weight area will surely protect your equipment and more importantly your members.
