

LIFE FITNESS POWERMILL

FEATURED:
Life Fitness PowerMill
with SL Console
in Black Onyx

SMOOTH STEPS, BIG CHALLENGE

The smooth motion, large surface area on each step and wide range of speeds make the Life Fitness PowerMill Climber an inviting, but challenging, option for any exerciser..

SURESTEP SYSTEM TECHNOLOGY

An AC motor provides an extremely wide range of speeds. From 12 - 185 steps per minute, the motor offers options to all exercisers, whether they're engaging in reconditioning or HIIT workouts.

SMALL FOOTPRINT

The PowerMill Climber has an inviting design and one of the smallest footprints among similar products in the industry.

SPACE AND STABILITY

MaxBlox™ steps have the largest usable space in the fitness industry and an anti toe-pinch design for secure footing at any speed.

LifeFitness

LIFE FITNESS POWERMILL

CONSOLE OPTIONS

Console choices include simple, get-on-and-go functionality to more engaging options. Each offers wireless connectivity and insights through Halo.Fitness.

INTEGRITY SL CONSOLE

DISCOVER ST CONSOLE

DISCOVER SE3 HD CONSOLE

SERVICEABILITY

The Integrity Series has been designed to offer easy access for maintenance and servicing to keep your equipment lasting longer and reduce downtime.

HALO FITNESS CLOUD

Halo offers insights into equipment use and exerciser behavior. It also allows for seamless software updates, facility-wide equipment settings, and service notifications.
