# SCL® 885 Experience™ Series STAIRCLIMBER∭

## Product Highlights

The Precor SCL 885 far exceeds the status quo and invites you to step up to an experience that will delight. Made from durable, high-performance parts and tested beyond industry standards, the StairClimber is built for reliability. The thoughtful design prevents sweat, dirt, and fluid ingress to deliver an ultra-smooth operation and effective cleaning in a single pass. It invites exercisers to step on and off with ease, exercise with confidence, and stay motivated with engaging content.

### Product Features

#### **P84 Touchscreen Console**

The P84 console offers a brilliant 16-inch touchscreen that provides the best blend of performance, fitness, and entertainment that your exercisers expect. It's designed to deliver a best-in-class content suite with engaging workouts, wireless casting with access to thousands of third-party workout and media apps, and integrated Pluto TV, so exercisers always have the content they want, right at their fingertips. Geographically-inspired milestone workouts entice exercisers to climb 30 well-known global landmarks like the Empire State Building in New York City or the Great Pyramid of Giza.

#### Low Maintenance Step Chain

To decrease downtime, service panels can be removed in under one minute to easily access internal components. Constructed of high-strength steel, the 428 O-ring motorcycle step chain requires no planned maintenance – simply inspect annually. Clean and lubricate only if needed.

#### **Tested Beyond Industry Standards**

The StairClimber has exceeded industry standards, withstanding over 30 different tests, conducted over 10,000 hours in the lab and field for reliability that operators can trust.

#### **Dynamic Step Control**

The Dynamic Step Control<sup>™</sup> system, with an industry-leading tolerance of +/- 0.5 steps per minute, ensures an accurate, consistent step rate, whether slow or fast, for exercisers of all sizes.
